Floor Pro Flow — Flooring Invoice Template

Header

- Invoice number / date / due date
- Customer name & billing address
- Project address (if different)

Line items

- Material — brand / SKU / qty / unit price
- Labor — sqft / hours / rate
- Trim, transitions, baseboards
- Demo / haul-away
- Add-on services (acclimation, moisture testing)

Totals

- Subtotal
- Sales tax
- Less deposit credit
- Balance due

Payment terms

- Accepted payment methods (ACH, card, check)
- Late fee policy
- Warranty start date

Floor Pro Flow generates this invoice automatically from your estimate, applies deposits, and embeds an ACH/card payment link in the email. Visit floorproflow.com.
